Subject: Salem Promotion

Dear Laney:

One of my accounts, Megha Grocery in Bogota, never receives his VAP promotions. Their wholesaler is United Candy and Tobacco and it seems that every time we have a Buy Some, Get Some Free Promotion or any other VAP promotion, the account never receives it.

Many times I called you about this store and the wholesaler makes some excuse or says he will ship the product. I have also called the wholesaler many times about this but to no avail. Even the retailer calls and checks on these promotions but the wholesaler makes some excuse either they did not receive it from Reynolds or they did not get enough shipments.

Please look into this matter. It has been an ongoing problem that should not occur.

Thanks,

Ellen
